### LEGAL

These guidelines must be provided to requesters. Whenever the special emblem is uploaded on the internet, the guidelines must be uploaded on the same page.

### I. Design

The **United Nations World Data Forum** logo depicts various geometric shapes representing pieces of information aligning together to create Data. The words "**United Nations World Data Forum**" appear on the right-hand side of the logo. The SDG logo (wheel) replaces the vowel 'o" in "World" to show support for the SDGs.

The **United Nations World Data Forum** logo is available in the six official United Nations languages: Arabic, Chinese, English, French, Russian and Spanish.

Interested entities are encouraged to translate the text into local languages, provided that they will state clearly that they are solely responsible for the accuracy of the translation.

#### II. Use of the logo
